Business Overview

Conscious Living Partnership (CLP) is focused on creating a global network of like-minded partners and resources dedicated to making conscious choices. CLP is a perfect fit in the large and rapidly growing LOHAS (Lifestyles of Health and Sustainability) market, an estimated \$209 billion marketplace encompassing five sectors: Sustainable Economy, Healthy Living, Alternative Healthcare, Personal Development, and Ecological Lifestyles.

Shareholder Value

Conscious Cooperative Membership

- Consumer and Business memberships
- Savings on products and services
- Training, marketing, consulting and many other opportunities
- Monthly networking events in CO, FL, GA and MD

Expo of Heart - Conference showcasing opportunities in personal, corporate and global health. Over 100 exhibitors and speakers offering products and services to support a healthy, well-balanced life.

Accelerate Your Business Day - Full day of business workshops – Marketing, Finance, Branding, Public Speaking and more.

Visionary Awards Celebration - Event to recognize community leaders and businesses that have made superior contributions to humanity, demonstrate excellence in the natural health & environmental protection arenas, and exemplify conscious business practices.

Conscious Living Space - our online social networking community

Conscious Living Publishing - Publishing and Marketing House

Conscious Living University - Training and Education

Dharma Bucks - Global Trading System

Key Goals

Close this round at \$1M PPM 504 and the following round at \$5M+ PPM 506 in order to complete our national expansion
Expand Expo of Heart nationwide by 2013
Launch Conscious Living University in 2010

Key Risk Factors

FDA stops supplement distribution
Someone else beats us to the market
Unable to successfully manage our growth
AMA or FDA outlaws alternative health options
Inconsistencies in legal compliance from state to state

Opportunity

10% interest annually plus potential 10-20 times return on investment within 3-5 years

Exit Strategy

Acquisition by Gaiam or other LOHAS giant
Stock buy-back
Dividends
IPO –Public Stock Offering
